U.S. App. No: 10/673786

Applicants assert this amendment is necessary to correct an obvious typographical error, as evidenced by the attached first page of the corresponding WIPO publication. Therefore, no new matter is presented and applicants respectfully request the amendment be entered prior to this case being taken up for examination.

It is not believed extensions of time are necessary for the filing of this amendment. However, if extensions of time under 37 C.F.R. § 1.136 other than those otherwise provided for herewith are required to prevent abandonment of the present patent application, then such extensions of time are hereby petitioned, and the Commissioner is authorized to charge any fees therefore, and credit any overpayments, to Deposit Account 50-3077.
